

Invitation for Prequalification (ICB)

Invitation for Prequalification (ICB) for Engineering, Procurement and Construction (EPC) of a 50 MW solar photovoltaic (PV) independent power producer (IPP) project (the 'Project') near Kulachi, district D. I. Khan in Khyber Pakhtunkhwa (KP) Province.

1. Kulachi Solar Power Project (Private) Limited is pursuing a 50MW solar photovoltaic (PV) independent power producer (IPP) project (the 'Project') near Kulachi, district D. I. Khan in Khyber Pakhtunkhwa (KP) Province under the terms of an Letter of Interest (LoI) duly issued by the Pakhtunkhwa Energy Development Organization (PEDO).
2. For the construction and operation of this power plant, Project intends to prequalify eligible EPC contractors, on Turnkey basis for the complete scope of works comprising;
"Engineering Design, Manufacturing, Supply, Erection, Construction, Testing, Commissioning and after COD for Operation & Maintenance of this solar photovoltaic (PV) on a Turnkey basis.
3. Project therefore invites eligible domestic / international firms in joint ventures (JV) with domestic partner to submit their applications for prequalification for providing the above services as per PEC Bye-Laws. Qualification/evaluation criteria and minimum requirements for pre-qualification have been specified in the Project's pre-qualification documents. A complete set of the prequalification documents (PQD) in English language can be obtained from the contact details given below.
4. PQD after filling must be delivered in sealed envelopes by hand or through mail within 15 working days of this advertisement and be clearly marked "Application for Pre-qualification of "EPC Operation and Maintenance Turnkey Contract for 50MW solar photovoltaic (PV) power plant at KPK".
5. Request for Proposal (RFP) of EPC Bid will only be issued to qualified companies only.
6. Applicants who already submitted Pre-qualification documents need not to apply again.
7. Contact for inquiries azizraza@hotmail.com
